

Sonnet Montessori School 2018

Lego Creations: June 11-22

Legos are a great way for children to use their creativity and imagination. Campers will learn about the history of Legos, how and where they are made, and have the opportunity to make their own creations.

Art & Music: June 25 – July 6 (Closed July 4th)

Let the creative juices flow. Campers will use a variety of mediums to create arts and crafts projects. All the while they will learn about different types of music, instruments, and composers.

Sports & Fitness Fun: July 9-20

The campers will learn about different sports, the importance of physical fitness, the food pyramid, and proper nutrition.

The World in the Palm of our Hands: July 23-August 3

The children will be exploring and expanding their geography knowledge. They will spend time learning about different cultures, traditions, languages, art and music of many different countries throughout the world.

All About Minnesota: August 5-17

The campers will learn all about the land of 10,000 lakes. They will be exposed to the history, geography, weather, and major attractions of the great state that we call home, Minnesota!

Safari Animals: August 20-31

Let's go on a safari! The children will learn about the animals and their habitat one would encounter when going on an African Safari.
